Proclamation
National Public Works Week
May 19-25, 2019

Whereas, the American Public Works Association has celebrated the annual National Public Works Week since 1960; and

Whereas, it is in the public interest for citizens to understand the importance of public works programs and to know the professionals, engineers, and managers that help support and maintain these programs; and

Whereas, the Hermosa Beach Public Works Department plays an essential role in maintaining the public health, infrastructure, facilities and services that are of vital importance to our community; and

Whereas, these services could not be provided without the dedicated efforts of the Hermosa Beach Public Works professionals who are responsible for rebuilding, improving and protecting our transportation, water supply, water treatment and solid waste systems, public buildings, and other structures and facilities essential for the high quality of life and well-being of our citizens;

Now, therefore, be it resolved, that I, Stacey Armato, Mayor of the City of Hermosa Beach, California, do hereby call upon the citizens of Hermosa Beach to observe the week of May 19-25, 2019 as Public Works Week in the City of Hermosa Beach, and urge all citizens to join with representatives of the American Public Works Association in activities, events and ceremonies designed to pay tribute to our public works professionals and to recognize the substantial contributions they make to protect our health, safety, and quality of life.
