IS YOUR HOME STORM READY?

Winter storm preparedness tips from the City of Hermosa Beach.

Protect your property.
Prior to the stormy season, take some time to check your property and:

- Trim up trees
- Clean out gutters/drainage
- Test your pumps

Report dangerous conditions.
Be sure to report any of the following conditions immediately to the City:

- Downed power lines
- Fallen trees
- Flooding/ponding

Have an emergency kit ready.
If the power goes out, make sure your emergency kit is ready with:

- Food and water
- Flashlights and batteries
- First aid kit
