Service will be affected at the following address(es):
PIER AVENUE B/T HERMOSA & ARDMORE HERMOSA
BEACH, CA 90254
Service Account: 3-XXX-XX32-53
Meter: 222010-824679

Outage Reason: Cable Upgrade

Things You Should Know

Please note that power may be off for the whole period and may be turned off more than once. The times noted are our best estimates, but some conditions may cause the outage to not start exactly on time or to be postponed.

If you plan to operate an emergency generator during the outage, please call SCE at 1-888-759-6056. Knowing this will help SCE protect their employees from possible electrical backfeed.

Stay Informed

To keep informed on the status of this outage, please visit sce.com/outage and reference the outage number(s) above. You can also contact SCE through email at scepoc@sce.com or call us at 1-855-683-9067.

Tips to Prepare for Outage
