Dear HERMOSA BEACH CITY OF,

We are taking this opportunity to keep you informed about routine maintenance being performed on the electrical equipment in your area. In order to keep our crews safe, it is necessary to temporarily turn off your power so we can install upgrades or make repairs to the grid.

We understand that having your power off is an inconvenience. We try to isolate outages down to the smallest area possible to complete the work as safely and as quickly as we can in order to promptly restore your power. We appreciate your patience.
