Local Updates

- **Call for Blood Donations** - As the #COVID19 outbreak continues to evolve, blood donations are dangerously low across the U.S. The demand for blood is strong. Eligible donors are strongly urged to donate: http://redcrossblood.org
- **Medical Sheltering Underway**

  LA County is standing up approximately 2,000 medical sheltering beds for LA County residents who either have been exposed to COVID-19 or who health authorities have determined need to self-isolate (or self-quarantine) but cannot do so in their own home.

  So far, LA County efforts include:

  - More than 900 medical sheltering beds now available for people in need;
  - More than 1,000 beds to be added by the end of the week;
  - At this time, medical sheltering has been set up at approximately eight locations, including the following locations: Dockweiler Beach; Martin Luther King, Jr. Recuperative Care Center; and, several hotels located throughout the County including in downtown Los Angeles, near Los Angeles International Airport, Lancaster, Pomona, Sherman Oaks and Van Nuys

  If you are a hotel or motel operator interested in partnering with the County, and are willing to provide your facility as a COVID-19 medical shelter, please visit doingbusiness.lacounty.gov. We have created this website to quickly identify and engage interested hotel/motel operators in the COVID-19 response.

State & Federal Updates

- **Governor Launches California Health Corps. to Fight COVID-19:** Gov. Gavin Newsom launched the California Health Corps. today, a new initiative to expand California's health care workforce by recruiting healthcare professionals with an active license to address the COVID-19 patient surge. Newsom also reported that COVID-19 hospitalizations in California have doubled from 746 to 1,432 in 4 days. To learn more about the health corps, please visit http://healthcorps.ca.gov.

- **CDC Restricts Travel:** To slow the spread of COVID-19, the Centers for Disease Control and Prevention (CDC) is working with public health partners to implement travel limitations announced in several recent presidential proclamations. The CDC is providing a list of the travel limitations for people arriving in the U.S. from several countries and regions with a COVID-19 outbreak.
