

Healthy Air Hermosa

With the protection of the public's health and safety its top priority, the City of Hermosa Beach is launching the Healthy Air Hermosa public education campaign to ensure residents and visitors can enjoy a smoke-free environment in its public outdoor gathering spots—from the Pier to the parks.

Beginning March 1, a new city ordinance will establish smoke-free zones in the following locations:

- Pier Plaza
- The Pier
- The Strand
- The Greenbelt
- All public parking lots
- Public parks
- The Beach
- Outdoor dining areas, including within five feet of outdoor dining areas

Through the Healthy Air Hermosa campaign, we are making available several educational tools aimed at educating employers, customers, residents and visitors about the ordinance.

The following are available to download and print by clicking on the link:

- City-Wide Map of Smoke-free zones
- Downtown Map of Smoke-free zones
- Fact Sheet
- Fliers
- Copy of the Ordinance
- Copy of the Letter mailed to City Businesses

Other items available at City Hall:

- Table Tents
- Coasters
- Posters
- Window Decals with Ordinance Information for Outdoor Dining Areas

To create a healthier community, the City of Hermosa Beach is providing a list of programs to help residents live a tobacco-free lifestyle. Following are links to those programs:

- [LA Quits](#)

- 1-800-NO-BUTTS (1-800-662-8887) to apply for a free four-week supply of nicotine patches
- [LA Public Health](#)
- [American Lung Association: 1-800-LUNG-USA](#)
- [American Cancer Society: 1-800-ACS-2345](#)
- [American Heart Association](#)

The downloadable items may be found on the city's website, www.hermosabch.org. The other items are available at City Hall for your use in helping to educate employees, customers and others about the new city ordinance.
