## Frequently Asked Questions

### *Why do we do the Count?*

To get the official statistics of what homelessness looks like in our community. These are then used to bring needed services and housing to the South Bay.

### *How often is it conducted?*

Every year in January, with the exception of 2020 when it was cancelled because of the pandemic.

### *How will I know what to do that night?*

You will be fully trained and provided with the materials you'll need. First timers are welcomed!

### *How old do I have to be?*

All volunteers need to be at least 18 years old to participate in this activity.

## How It Works

- We invite you to sign up in teams of 2 or 3. Singles are also welcomed and can form a team at the event.
- After registering, be watching for email updates from the Greater Los Angeles Homeless Count for reminders and other news about the event.
- You'll be asked to view a short training video prior to the event.
- Volunteers will gather at the Hermosa Beach Deployment Site for a brief training overview and light refreshments at 8:00 pm. Please bring your car if you are able to be a team driver. (Parking will be available in the City Hall lot.)
- After checking in at the deployment site, your team will drive the roads in your assigned census tract.
- You will just be tallying how many people you see – keeping a respectful distance from them – using a smartphone-based app.
- When your team has finished, you'll return to this deployment site to check out and return supplies.
